

REMARKS

In response to the Office Action dated January 24, 2008, Applicants respectfully request reconsideration.

On January 24, 2008, the Examiner issued an Office Action indicating that a response filed by Applicants on October 30, 2007 was non-responsive. Applicants' representative subsequently conducted a telephone interview with the Examiner on February 12, 2008, and filed an Interview Summary on February 20, 2008. As noted in the February 20, 2008 Interview Summary, Applicants believe that agreement was reached with respect to the outstanding Office Action, and that no further response on the part of Applicants is necessary.

Applicants felt, however, that a formal response to the January 24, 2008 Office Action should be filed to ensure that the Application status is correctly reflected by the Patent Office docketing system. If the Examiner disagrees, or has any further questions, the Examiner is urged to telephone Applicants' representative at 617-542-6000.

Furthermore, Applicants assert that no petition for an extension of time is presently required because no response is necessary and because an interview summary was filed within one month of the January 24, 2008 Office Action. Notwithstanding this, however, Director is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account 50-0311, Reference No. 24331-001. The Director is further authorized to charge any required fee(s) under 37 C.F.R. §§ 1.19, 1.20, and 1.21 to the abovementioned Deposit Account.

Respectfully submitted,

/Kyle Turley/
